LES TECHNOLOGIES

The background is a dark charcoal grey. On the left side, there is a complex, overlapping pattern of thin red lines that form a series of curved, intersecting shapes, resembling a stylized wave or a fan. On the right side, there are several concentric, wavy red lines that curve inwards towards the center, creating a sense of depth and movement. In the center of the image, the word "DEMONSTRATION" is written in a bold, white, sans-serif font.
